There will not be any open outdoor burning due to forecasted dangerous fire weather. Fuel moisture is extremely low as well as very low humidity. Rio Arriba County Fire & Emergency services would like to remind everyone that burning during the week is not permitted at this time. Please postpone all outdoor burning until further notice. Please use extra caution while using machinery, ensure trailer chains are stowed properly, dispose of cigarettes properly, avoid parking in tall grass.

Due to the High winds advisory by the National Weather Center Burning is Prohibited until further notice.

Respectfully,

Jovan Trujillo - EMS Manager
