Request for Quote

Rio Arriba County Health and Human Services Department is seeking quotes from qualified Higher Educational Institution to support its opioid prevention and intervention efforts amongst youths in Rio Arriba County. The successful offer will collaborate with relevant partners to achieve the following scope of work:

- Hire 3 student researchers (hired at a rate of .50FTE) at NNMC who will work with project PI to explore factors impacting substance use amongst young adults in Rio Arriba County
- Students hired will support project effort in developing and administering data gathering instruments
- Student researchers will collaborate with PI to design research study to advance project goals
- Provide meeting space and technological equipment needed to facilitate collaboration between project partners
- Support collaborative efforts between student researchers and PI
- Meet monthly with project team (HHS Director, NNMC president, and all relevant partners) to discuss project development
- Engage in all other activities needed to advance project scope and goals

Application (maximum one page)

- Provide background description of your institution and qualifications that makes your institution a perfect fit to provide the scope of services outlined above? (30 pts)
- Discuss your institution's capacity to provide oversight for the above specified project? (30 pts)
- Discuss institutional measures in place to address cultural barriers that may arise during project implementation? (30pts)
- Cost estimate. (10 pts)

Please submit response by 12/15/2024 via email to Dr. Dadzie and Ms. Cordova
