Rio Arriba County Health and Human Services Department is seeking quotes from a qualified clinician (MD, DNP, PsyD, etc.) to support its opioid prevention and intervention efforts. The successful offer will collaborate with relevant partners as well as utilize their clinical skillset and knowledge to advance the following scope of service:

- Utilize both in person and online modes to conduct assessment and make diagnosis
- Initiate and manage treatment, including prescription of pharmacologic and non-pharmacologic treatments
- Coordinate care and referrals for clients needing care coordination
- Provide health education to RAC residents and at-risk populations
- Support project research and implementation efforts
- Provide clinical advice and expert knowledge to HHS Director
- Conduct prescription drug monitoring for all clients
- Perform SUD screening for all clients
- Ensure compliance with HIPPA regulations
- Review and update HHS client enrollment forms
- Provide scope update to HHS Director on a regular basis
- Provide clinical supervision to HHS case managers as needed
- Support all efforts to advance project goals

Application (maximum one page)

- Describe your qualifications and experience that certifies you to perform the scope of work outlined above (30 pts)?
- Describe your experience regarding provision of oversight for projects? (30 pts)
- Describe how you plan to navigate cultural barriers that may arise during project implementation? (30pts)
- Cost estimate. (10 pts)
